Our Value for This Term Is:

Celebrating HOPE at St Barnabas and St Philip's

At St Barnabas and St Philip's, we celebrate the value of Hope – the belief that better things are ahead and that with hard work, faith, and perseverance, we can make a difference in our lives and in the lives of others. Hope is the light that guides us through challenging times, helping us to remain positive and motivated as we work toward a brighter future.

Why is Hope Important?

Hope is the foundation of resilience. It helps us to remain optimistic, even in the face of adversity, knowing that positive change is always possible. When we hold onto hope, we inspire others to do the same. It encourages us to work together, dream big, and trust in our abilities to overcome obstacles and achieve our goals. At school, hope fuels our passion for learning, growing, and supporting one another.

Ways to Practice Hope at Home

Here are a few simple ways children can nurture hope with their families and friends. We encourage you to make these moments a regular part of your lives, reflecting on how they bring positive change:

- **Goal Setting Together:** Sit down as a family and talk about your hopes and dreams for the future. Help each other set realistic goals and discuss the steps needed to achieve them. Celebrate every little progress and encourage perseverance, even when things get tough.
- **Gratitude Journals:** Keep a family gratitude journal where everyone writes down one thing they're grateful for each day. Reflecting on the positives in our lives can help to create a hopeful mindset and strengthen the sense of community.
- **Sharing Positive Stories:** Share stories or experiences that highlight the power of hope. Whether it's through books, films, or real-life examples, let the stories inspire and remind everyone that hope is the key to overcoming life's challenges.

As we focus on Hope this term, let's remind ourselves that every step forward, no matter how small, brings us closer to making a difference. By practicing hope in everyday actions, we can build a school community where everyone feels empowered, optimistic, and ready to create a better tomorrow.

Spring Term Parent Meetings

We would like to invite parents / carers to attend parents' meetings toward the end of Spring 2. This will be a chance to look at your child's work and speak to the class teacher for 10 minutes.

The class teacher will speak to you about your child's Spring assessments, progress over the term, next steps in their learning, and answer any questions you may have about the upcoming term.

The dates that these will take place are:
Tuesday 24th March and Wednesday 25th March

The times will be between:
3.40pm - 6.00pm

All meetings will take place in the school hall.

Bookings are now open.

Please note that teachers can only take meetings within these allocated time slots, and we hope that by providing you with this notice, you'll be able to find a slot that works.

Transport for London has announced that their planned tube strikes on these dates have been cancelled therefore meetings will go ahead as scheduled..

Healthy Eating

We are incredibly proud to that our school has a **Healthy School Gold Status**, for all our work around Healthy Eating. Please see the below regarding healthy eating at our school:

After School Snacks:

A helpful reminder regarding the snacks provided to children during our after-school club. As you know, our school is dedicated to promoting a healthy lifestyle among our students. To support this commitment, we kindly request that all snacks brought to the after-school club adhere to our healthy eating guidelines.

To assist you in selecting suitable options, here are some suggestions for nutritious and appealing snacks that you can pack for your children:

- Fresh fruits such as apples, bananas, grapes, and berries
- Vegetable sticks like carrots, cucumber, and bell peppers, possibly with hummus for dipping
- Whole grain crackers or rice cakes
- Low-fat yoghurt or fromage frais
- Whole grain sandwiches or wraps with healthy fillings like lean meat, cheese, or vegetables
- Cheese slices or cubes
- Dried fruits like apricots, raisins, or cranberries (ensuring they are free of added sugars)
- Popcorn (plain and unsweetened)
- Smoothies made from fresh fruits and vegetables

Birthday Sweets/Cakes

It is against our Healthy Eating policy to bring in cakes/sweets for children's birthdays.

We ask that to celebrate birthdays you bring in fruit cups, or a healthy alternative to sweets/cakes.

Fruit Snacks

In EYFS/KS1 we provide fruit snacks for the children and there is no requirement for you to bring anything into school for your child. However, we are aware that some parents choose to add an additional fruit snack.

If you choose to bring your child grapes, these must be cut in half for children due to health and safety for children up to the age of 7.

Nut Free

Please note that our school is a nut-free environment to ensure the safety of all our students. Any snacks containing nuts will not be allowed.

We appreciate your cooperation in helping us maintain a healthy and safe environment for our children. Should you have any questions or require further clarification on suitable snack options, please do not hesitate to contact the school office.

Parent Governor Election Update

Following the recent parent governor election , we are **reopening the nomination process for a two-week period** from Friday, 13th March to Friday, 27th March.

If there is only one nomination per vacancy, the nominated parents will be automatically appointed, and the result will be communicated to the candidates on Monday, 13th April, with an email sent to all families.

If there are more candidates than vacancies, an election will take place with a choice of voting methods: electronic or paper. Voting will be open from 15:30 on Monday, 13th April, to 15:30 on Friday, 17th April. Ballots will be available from the school office.

The results of any election will be communicated to all candidates and emailed to all families on Tuesday, 21st April.

School Church Services

We appreciate that we are able to visit both St Barnabas and St Philip's each term.

We invite all parents/carers to join us for these services, but ask that you join us at the church.

Our service dates for Spring Term are:

Staff are accompanying the children on the walk and having parent's there can sometimes be a little distracting.

Governors Fund 24-25

As you may be aware, we are a voluntary aided Church of England Primary School with approximately 210 pupils. We are devoted to providing our pupils with the best possible learning environment based on decent morals and values, and we are proud to have served our community for over a century.

As a Church of England School, we are required to contribute an annual maintenance fee to the London Diocese Board for School. This fee allows the school to effectively benefit from the LDBS maintenance scheme that provides 90% of the overall cost for approved capital projects including redevelopment of the existing facilities and major refurbishments.

Over the years, our pupils have benefitted from a range of capital projects, including, a new bridge linking two blocks, a fully equipped school kitchen, music room, Computing suite, library, refurbished classrooms, new toilets, a new roof and skylights.

I am sure you will appreciate, it is vital for our pupil's education, that we provide them with the best facilities possible. This can only be achieved through the kind generosity of parents, and though the fee per pupil is voluntary, we ask all parents to contribute £45 per pupil per academic year or such amount, as they are able, in order that our pupils continue to benefit from the LDBS maintenance scheme.

Unfortunately, any shortfall in the overall Governors maintenance fund will have to be taken from the school delegated budget that in turn will mean funds being diverted from other areas of the curriculum.

Contributions can be made via Arbor

or directly to the Governors fund account:

METRO BANK. Sort code: 23-05-80

Account number: 18996065

We appreciate any contributions to this fund.
