PERSEVERANCE

HOME SCHOOL VALUES

This term we will be focussing in school on the value PERSEVERANCE. We hope your family will find these ideas helpful as you explore the value and have fun together.

TALK TOGETHER about Perseverance

Teachers often say that **perseverance** is something that many children find difficult.

Very little that is really worthwhile in life can be achieved without **perseverance**. An athlete may train for years before they are ready to compete at the highest level. A musician must practice every day, sometimes for hours at a time, if they are to really master their instrument.

- How would each family member rate themselves on a scale of 1 - 10 at **perseverance**?
- Can you give an example of something you have achieved by determined **perseverance**?
- Is there a skill that you think you could improve with **perseverance**?

The Widow Who Never Gave Up

There was once a judge living in a town just like this one, said Jesus to the crowd of people who were listening to him and hanging on his every word.

This judge did not care much about God or justice. The crowd muttered to one another and smiled knowingly, they all knew judges like him! A poor widow, called Sarah, lived in the same town. She was being treated badly by her neighbour who was making her life very difficult indeed.

Sarah went to the judge to ask him to hear her case and give her justice.

At first the judge tried to ignore her. Silly old woman he thought. Why won't she leave me alone. Doesn't she realise that I have more important things to deal with?

But Sarah **persevered**. You are my only hope she told the judge. You must help me. Day after day she went to see him.

In the end, the judge was so exasperated that he thought to himself I will never get a minutes peace unless I help this old woman.

Finally he let her explain to him the problems that she was facing and agreed that Sarah's neighbour was indeed behaving very badly and must be made to stop at once. Sarah's **perseverance** paid off and eventually she got the justice she deserved.

So keep **persevering** and keep praying said Jesus to the crowd.

try and try again."

FAMILY FOCUS

The Perseverance Challenge

Ask each member of the family to write (on identical pieces of paper) a challenge that will require **perseverance** to complete. Fold the paper 4 times and place it in a bag with the others. Invite each person to place their hand into the bag (whilst looking the other way) and pick out a challenge which they have one week to complete. (Think carefully about the challenge you set and if possible make it a worthwhile and useful thing to do).

HOME-SCHOOL CHALLENGE

Mosaics are one of the oldest ways to make art. People have been arranging tiny coloured pieces of glass or pottery for thousands of years to create beautiful designs. But the process is time consuming and needs lots of **perseverance**. This term's Home-School Challenge is to make a mosaic picture (no bigger than A3 – 29x42cm) using small pieces of coloured paper. The subject of your mosaic is up to you. It could be a pattern or a picture.

All the pictures submitted will be displayed in our school Challenge Gallery.

HALL OF FAME

Prince George

Prince George, later to become King George VI, had always been shy and had developed a stammer, which meant he could not speak for very long without struggling to say the words he wanted to say.

His elder brother, Edward, was very different. He was confident, loved to be the centre of attention and was destined to become King of England.

But soon after the coronation, King Edward announced that he was going to abdicate – to give up being king. His younger brother would now become king in his place. George was horrified! He felt sick with fright. Now he would be expected to deliver speeches and give radio broadcasts to millions! How would he be able to do this with his dreadful stammer? But George knew that it was his duty to serve his country.

He knew that he must overcome his fears and do his very best. He employed an Australian speech therapist to help him and with **perseverance** and great courage George was able to face the challenges ahead. When war was declared in 1939 King George gave a famous speech. He comforted and encouraged his people and won everyone's respect because they knew how brave he was being.

FASCINATING FACTS

Perseverance in the Natural World

Many birds show remarkable **perseverance** as they build their nests, piece by piece often in cold, wet and windy weather and at risk from predators.

The long-tailed tit is just one example. Weighing just 9g, this little bird takes 3 weeks or more to build a nest. The oval shaped nest is made from moss, cobwebs and hair, covered on the outside with lichen and lined with up to 2000 tiny feathers!

BBC & My London News

On **Wednesday 26th June**, BBC and My London News will be coming to report on our school's recent Ofsted Inspection.

Please ensure your child is in full school uniform.

If you would **not** like your child to feature in this news article, please let a member of the senior leadership team know.

Summer Fair 2024

In the lead up to our fair, we are holding a non-uniform day on **Friday 5th July**. This year, we are asking that on this day, you “bring a prize” for the tombola, or £1 to support the fair.

Governors Fund 23-24

As you may be aware, we are a voluntary aided Church of England Primary School with approximately 210 pupils. We are devoted to providing our pupils with the best possible learning environment based on decent morals and values, and we are proud to have served our community for over a century.

As a Church of England School, we are required to contribute an annual maintenance fee to the London Diocese Board for School. This fee allows the school to effectively benefit from the LDBS maintenance scheme that provides 90% of the overall cost for approved capital projects including redevelopment of the existing facilities and major refurbishments.

Over the years, our pupils have benefitted from a range of capital projects, including, a new bridge linking two blocks, a fully equipped school kitchen, music room, Computing suite, library, refurbished classrooms, new toilets, a new roof and skylights.

I am sure you will appreciate, it is vital for our pupil's education, that we provide them with the best facilities possible. This can only be achieved through the kind generosity of parents, and though the fee per pupil is voluntary, we ask all parents to contribute £45 per pupil per academic year or such amount, as they are able, in order that our pupils continue to benefit from the LDBS maintenance scheme.

Unfortunately, any shortfall in the overall Governors maintenance fund will have to be taken from the school delegated budget that in turn will mean funds being diverted from other areas of the curriculum.

Contributions can be made via the School Gateway : <https://login.schoolgateway.com/0/auth/login>.

or directly to the Governors fund account:
METRO BANK. Sort code: 23-05-80
Account number: 18996065

We appreciate any contributions to this fund.
