TRUST

HOME SCHOOL VALUES

This term we will be focussing in school on the value TRUST.

We hope your family will find these ideas helpful as you explore the value and have fun together.

TALK TOGETHER about Trust

Trust is a really important value. It must be earned. If we do not **trust** someone it is very hard to build a good friendship with them. Talk together about:

- people who you know that are **trustworthy**
- practical ways that we can show others that we are **trustworthy**
- why it is important to be able to **trust** others when working together as a team

THINK TOGETHER Words of Wisdom

"**Trusting** someone is like knowing you can jump and they will be there to catch you"
Anon

FASCINATING FACTS

The Royal National Lifeboat Institute (RNLI)

When the crew and passengers of boats get into difficulty at sea, they can **trust** the lifeboat crews from RNLI to try their very best to rescue them. Many of the crew and coastguards are volunteers.

- There are over 230 lifeboat stations all around the coast of Britain & Ireland
- Crews are on call 24 hours a day, every day of the year. They must be ready to drop what they are doing at a moments notice to go out on their lifeboat

READ TOGETHER... The Storm on the Lake

The disciples were just exhausted. All day crowds and crowds of people had been following Jesus, listening as he taught them about God's love and watching as he healed people who were ill. Now the sun was beginning to set over the Sea of Galilee. Seeing how tired his friends were, Jesus said, "Let's get in a boat and go over to the other side of the lake."

They rowed away from the shore while Jesus went to the front of the boat and lay down. The waves lapped gently against the side of the boat, lulling Jesus into a peaceful sleep.

Suddenly the wind began to blow dark clouds across the sky. The waves weren't so gentle anymore. The little boat began to pitch and rock. The men looked anxiously across the lake. But Jesus still lay sleeping in the front of the boat.

The wind blew stronger. Great gusts rocked the boat. Spray from the waves soaked everyone inside. But still Jesus lay sleeping in the front of the boat.

By the time they reached the centre of the lake, the wind had turned into an angry gale that whipped the waves so high that they washed right over the boat. Jesus' friends were terrified. They thought they might drown. But still Jesus slept on.

Finally, one of Jesus' friends went and shook him awake. "Master," he cried, "don't you care if we drown?" Jesus looked around. He listened to the howling wind. He felt the cold, stinging spray of the waves. He saw the fear in the faces of his disciples.

Jesus stood, stretched out his arms to the wind and the waves, and commanded: "Peace! Be still!" At once the wind died down and the waves became completely calm. Turning to them, Jesus asked the disciples: "Why are you so afraid? Do you not **trust** me?"

FAMILY FOCUS

Get Knotting

Knot tying is an important skill for every crew member on board a sailing ship. For the various parts of the sails and rigging different knots are used and the crew have to **trust** that the knots are tied properly and will hold.

We all use knots occasionally to hold something securely in place. See if you can master these knots:

A Clove Hitch knot, to secure a rope to a post.

A Reef knot to join 2 ropes together.

HOME-SCHOOL CHALLENGE

Build a Boat

This term's Home School Value has a watery theme. The challenge is to use scrap materials to construct a boat that floats and has a working sail.

Create a draught (eg by blowing or using a lilo pump) to check that the sail really does catch the wind and move the boat across the water.

HALL OF FAME

Ernest Shackleton

From the time that he was a small boy Ernest Shackleton longed to go to sea. At sixteen he got his chance and joined the crew of a ship sailing to and from the Far East and America. This was the start of an amazing life of daring and discovery.

In December, 1914, Shackleton set out on perhaps his most famous voyage. It was his third expedition to Antarctica. His ship was called the "Endurance" and his mission to travel 1500 miles across Antarctica. Just 5 weeks later, "Endurance" became frozen in pack ice, unable to move. After being stuck for months the boat began to buckle, crushed by the ice. The crew was forced to abandon ship. They set up camp on an ice floe, but this was too dangerous so Shackleton and his men set out in three lifeboats. After six days, the men reached an isolated, uninhabited spot called Elephant Island.

Shackleton knew that for his men to survive, he must fetch help from a whaling station. It was 800 miles away but it was their only hope! Putting their complete **trust** in him and knowing their leader would return if it was humanly possible, the men watched as Shackleton and four others rowed away. Six long months followed before Shackleton was finally able to rescue his men 126 days later, after a journey of nearly 1600 miles.

Shackleton's courage and the **trust** he inspired in his men live on in legend.

We are delighted to be able to visit both St Barnabas and St Philip's each term.

Our service dates for Summer Term 2 are:

Thursday 9th May—St Philips
(Reception, Year 1 and Year 2 only)

Thursday 13th June—St Philips
Friday 19th July—St Barnabas
(Leavers Service)

We invite all parents/carers to join us for these services, but ask that you join us at the church. Staff are accompanying the children on the walk and having parent's there can sometimes be a little distracting.

All services begin at 9.30am and last approximately 45 minutes.

Exciting Opportunities:

Last term, Year 2,3,4 and 6 took part in Cricket Workshops with Clifford from Actonians, he had such a wonderful time with us that he would love to see our children again. Please see details of his organisation below.

ACTONIANS CRICKET CLUB - Our aim is that everyone will feel welcome, always enjoy themselves, and appreciate being a member of a club that prides itself on being 'One Club'. If your child has played the game before that's great but if they haven't please don't worry about your child not having any cricketing experience - we just want the children to fall in love with the game and see where that takes them on the playing field.

SAFETY AND WELLBEING - We will always put everyone's safety and wellbeing first. We are an accredited Clubmark Club and adhere to the 'Safe Hands' Policy for Safeguarding Children in Cricket (available to view online at <https://www.ecb.co.uk/safeguarding>). All of the adults at the club who work with children and meet the necessary criteria are checked and vetted by the ECB.

We have a couple of options:-

OPTION 1 - ALL STARS CRICKET – provides a fantastic first experience for all children aged 5 to 8 years old where they're guaranteed 8 weeks of jam-packed fun, activity and skills development. The programme is designed to introduce children to the sport, teaching them new skills, helping them make new friends and have a great time doing so. Every child that registers will receive a personalised t-shirt with their name on it.

TOTAL COST = £30.00

Sunday 19th May through to Sunday 7th July

OPTION 2 - FULL MEMBERSHIP - We are always keen to attract new players to the club and to the game in general; we have an open membership policy and offer cricket for boys and girls aged 5 to 17 and have built up a reputation of being a welcoming and open club – with safety and fun being at the centre of everything we do. Starts w/c 14th April through to 8th September.

Governors Fund 23-24

As you may be aware, we are a voluntary aided Church of England Primary School with approximately 210 pupils. We are devoted to providing our pupils with the best possible learning environment based on decent morals and values, and we are proud to have served our community for over a century.

As a Church of England School, we are required to contribute an annual maintenance fee to the London Diocese Board for School. This fee allows the school to effectively benefit from the LDBS maintenance scheme that provides 90% of the overall cost for approved capital projects including redevelopment of the existing facilities and major refurbishments.

Over the years, our pupils have benefitted from a range of capital projects, including, a new bridge linking two blocks, a fully equipped school kitchen, music room, Computing suite, library, refurbished classrooms, new toilets, a new roof and skylights.

I am sure you will appreciate, it is vital for our pupil's education, that we provide them with the best facilities possible. This can only be achieved through the kind generosity of parents, and though the fee per pupil is voluntary, we ask all parents to contribute £45 per pupil per academic year or such amount, as they are able, in order that our pupils continue to benefit from the LDBS maintenance scheme.

Unfortunately, any shortfall in the overall Governors maintenance fund will have to be taken from the school delegated budget that in turn will mean funds being diverted from other areas of the curriculum.

Contributions can be made via the School Gateway : <https://login.schoolgateway.com/0/auth/login>.

or directly to the Governors fund account:
METRO BANK. Sort code: 23-05-80
Account number: 18996065

We appreciate any contributions to this fund.
